RULES

Games will be 40 minutes in length with a running clock (only stoppage will be for significant injury); 20 minute halves, 5 minute halftimes, 5 minutes between games.

Warm-ups will be limited on the playing field, but players may stretch along the sidelines.

Games must be kept on schedule. Referees and/or tournament directors will have "on deck" teams ready to go for their next game.

No coin toss; second team listed will have the option of ball or goal to defend.

Games will be conducted per FIFA rules; this includes substitutions, except they will be unlimited.

No overtime.

3 points for a win; 1 point for a tie; 0 points for a loss.

If top two finishers are tied for points, tournament champion will be determined as follows:

- 1) head-to-head result;
- 2) goal differential;
- 3) least goals scored upon;
- 4) kicks from the penalty spot per FIFA guidelines.

Yellow cards will not accumulate in subsequent games. A red card will not automatically ban a player from a subsequent game; it will be based on the seriousness of the infraction(s), and the decision will be made by the referees, coaches, and tournament directors.

AWARDS

Championship Banner to winner of the tournament.

Special Awards: MVP (Most Valuable Player); Best Defensive Player; Best Offensive Player; Outstanding Goalkeeper.

Coaches may nominate and encourage selection of one of their players for these special awards, but may not vote for them. Special Awards will be selected by secret ballot by opposing coaches (one vote per team). A player may receive only one individual tournament award. A team is limited to no more than two (2) special awards.

All Tournament Team: After determining Special Award recipients, coaches will then personally select two (2) of his or her own players to the All Tournament Team (in addition to any Special Award winners).
